Sir,

I forward herewith three applications from (1) M.M.Narayana (2) S.Krishnamoorthy and (3) K.M.Balachandra, for financial assistance. They were received from the Director of public Instruction, Madras, for disposal as in G.O.No.1228, Education and public Health, dated 18-8-44, the authorisation to sanction grants in such cases has been withdrawn from him.

2. The applications were referred to the Dt. Educational officer who has estimated as follows the minimum financial assistance required in each case. It is learnt from the Director of public Instruction that repayable advances were granted in all the 3 cases for the year 1943-44. The amount involved is shown against each.

05977

	Amount required for '44-45		Amount of advance granted by the D.P.I. in 1943-44 with refce. to G.O 235, E & P.H. dated 11-2-42.

The Principal,
St. Aloysius College,
Mangalore.

Respected Sir,

I beg to bring to your notice the following facts for favour of your kind perusal and favourable orders.

2. I am a student in the St. Aloysius College, Mangalore studying in the Junior B.Com. class 1944-45. Funds for my education expenses were sent by my brother Dr. S. Venkitachalam, B.A., M.B.B.S. who is a Government servant under the Malayan Government. He was holding the appointment of Port Health and Quarrantine Officer in Port Swettenham on a monthly salary of 650 dollars, i.e. about Rs.1015/- before the place was occupied by the Japanese. We understand that he is kept as a Prisoner of War now there. From January 1942 myself and my parents were deprived of that advantage as Malaya has come under the Japanese control for the present and my brother with his family has been stranded there. I was continuing my studies with difficulty without remittance from my brother. I now find it difficult to meet my expenses and College term fees.

3. My aged father is a retired District Board Overseer (Malabar). Being an executive subordinate he does not get any pension, as the post held was non-pensionable. We all were solely depending upon my brother who was sending every month Rs.200/- for our family expenses and education. My father is the recipient of a Kaisar-I-Hind Silver Medal from His Majesty the King Emperor for Field Service done during the rebellion time in Malabar in 1921-22.

4. As a result of over two years' correspondence with the Government of India, Department of India Overseas, an allowance of Rs.110/- per month from March 1944 has been sanctioned by the Collector of Malabar for the expenses of our family in the capacity of dependants of the Malayan Government servant stranded in the enemy occupied country. But this amount is quite insufficient in these hard days to meet out the family expenses and my educational expenses. If my brother had been sending Rs.200/- per month I would have taken up further higher courses of study.

5. For my education in the Senior Intermediate Class (1943-44) in the Government Brennen College, Tellicherry your honour was pleased to sanction an allowance of Rs.326/- in Proceedings R.C. No.12-W of 1942 dated 17--11--43. I have passed the Intermediate examination in April 1944. I am satisfied with the present course of study, viz. B.Com which I have taken up.

6. I therefore request that your honour may be pleased to sanction an allowance of Rs.600/- from 1st July for the year 1944-45 to continue my course of study in the B. Com. class in the St. Aloysius College, Mangalore where the Principal has been kindenough to grant me a seat. I submit that my messing, boarding and tuition fee and dressing will come to about Rs.60/- per month. I am boarding in the College hostel.
